DETAILED ACTION

Allowable Subject Matter

Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest a device and method having all of the claimed limitations. While various tools for assisting speech production are known, such as those disclosed by Ryan, Blakely and Grumann, there is no disclosure or suggestion of a tool having a forward and rearward projection having each of the recited limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Ryan, Kussick, North, DeLuke, Boyd, Sue, Schiavoni, Walter and Stubbs disclose various tools adapted to be inserted into the mouth.
